6,000							**6,375**	**6,450**	**6,525**	**6,600**

Find the hours across the top and the material cost down the side. The price is where they meet. Always round up: 2.3 hours, use 2.5. $160 of materials, use $200. Gray boxes are jobs you never sell that way.

Full version: your own rate, helpers, markup on materials, minimum charge and rounding, every job up to 40 hours. Scan to get it.
